[Micro Finance for Farm/Food Businesses!](#) [1]

Peterborough Community Savings is now offering a Micro-Finance Program in conjunction with their partner Alterna Savings. These could open up growth opportunities for your small food or farm business! The program offers loans from \$1,000 to \$25,000 and can be used for equipment and operating costs (not for purchasing land). You will need an up to date business plan and cash flow projection, as well as other documents to successfully apply for it-- and other financing opportunities as well!

For more details on the Community Micro-Finance Program, [click here](#) [2] or contact Karen Mask 705 748 4481

For more information and to apply for the Farm Business Planning Program, [click here](#) [3]. Space is limited and the program begins later this fall.
