Round 2: East Central Local Food Networking Event! **[1]**

Due to the sold-out success of our Local Food Networking Event in Douro, Farms at Work is organizing a second Event (Round 2) north of Cobourg in Northumberland County on June 6th.

Thanks to Headwaters Farm for providing the venue. Come see their innovative facilities, and celebrate Local Food Week at the same time!

This will be a "business-to-business" local food networking event for local producers, processors, restaurants, caterers, retail stores, and institutions looking to make business connections. Based on positive feedback from the first event, we will again be matching up buyers with sellers for targeted “speed-meetings”, based on what they are looking for.

Let’s work together to expand our local/regional food production network, create economic opportunities, support innovation and get local food on local plates!
